

SUNSHINE ART CAMP 2010

Instructor Sandy Reid

Join us this summer for more exciting art camps with new project ideas. You'll learn to make your first comic strip in Art Camp One. Draw your favorite animals in Camp Two. Paint in Mrs. Herdell's rose garden in Camp Three or build a papier-mâché rocket ship in Camp number Four.

Have a peek at the project list for each camp at the Art Supply store counter if you like.

Set your inner artist free and make new friends at the Sunshine Art Camp 2010 this summer.
