ABOUT THE INSTRUCTOR:

I am an artist! Vickie Magyar DeSilva. And I love to teach what I am. My goal is to have each of my students declare that they are artists too. I have been teaching Oil Painting classes locally for 17 years. Teaching everything from portraits to landscapes, animals to still life and I am now teaching here at San Clemente Center for the Arts / San Clemente Artist Supply

"I truly believe that everyone has the ability to create art and yes, sometimes it is buried pretty deep. Yet if I have a willing student we can find it, and unleash it too. If you are a beginner or already a painter my classes have much for each level assisting you in increasing your desire to produce beautiful art. I teach through coaching and sharing all that I know so that you will have a rewarding and fun experience."

A man who works with his hands is a laborer; a man who works with his hands and his brain is a craftsman; but a man who works with his hands and his brain and his heart is an artist. -Louis Nizer
